1st Annual Toy Show

December 14 and 15, Friday and Saturday

Agenda:

Set up Friday afternoon and early Saturday morning.

Show open to public, Saturday 10:00 a.m. to 5:00 p.m.

Presentation of toys to "Toys for Tots" Saturday 6:30 p.m.

Following the presentation will be covered dish dinner and Christmas party with entertainment.

Note: There will be nice door prizes and show prizes. Be there and bring a prize winner.

From the President ...

Gentlemen,

Again I apologize for missing the last meeting. I had to be out of town. I understand that attendance was good and that Richard Gilbert again did a noteworthy job of handling the program. Many thanks, Richard.

There are some exciting things planned for the remainder of the year and I feel certain you will make a special effort to attend.

October is "Bring a Friend" month. The meeting will be held at Ronnie Acton's shop. Our guest speaker and demonstrator will be Brad Packard from North Carolina. If you have not attended one of Brad's sessions, you are in for a special treat. Brad is a representative from Inca Tools who is a talented woodworker and speaker. He will be demonstrating how to cut dovetails on the table saw. This method was developed by a friend of his and was described in an article published in *Fine Woodworking*.

As usual, when Ronnie hosts our meeting, there will be plenty of good things to eat and plenty of coffee and cokes. If it is impossible for you to attend the meeting, we plan to videotape the proceedings and make the tape available for you to view at a later time.

In December, we will be holding our first annual toy show. The show will be held December 14th and 15th, Friday and Saturday, in the auditorium at the home office of Liberty National. We are requesting that each guild member make one or more wooden toys of his choice. The toys will be exhibited during the show and then donated to the "Toys for Tots" program. I sincerely hope that each member will participate. This is an excellent opportunity for us to sharpen our woodworking skills and to do something nice for some underprivileged children who would not otherwise have a Christmas. *(Continued)*
