Annual Family Fun and Auction, May 18, 2002

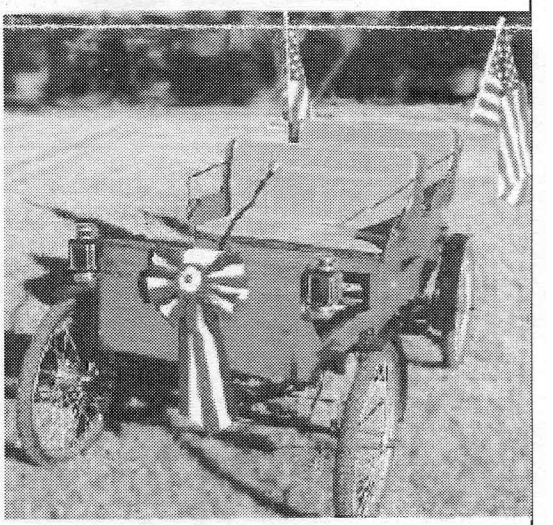
Bring your friends and family to the May 18th meeting. It is sure to be a fine day to visit the Guild. We will be holding an auction in conjunction with the Alabama Woodturners Association. Besides all the great bargains , Jimmy Woods will have two of his horseless carriages (pictured below) at the meeting. If you just have to have one, you will be able to buy the plans for $20 to build your own.

It is THE place to be. Your kids or grandkids will love the carriages. In the auction there will be used tools, from those who have traded up, objects made by woodworkers and woodturners, items donated by some of our sponsors, and even lumber to be purchased at really nice prices.

If you have something you want to sell in the auction, bring it out to Thuston's between one and 5:00 PM on Friday, May 17th or before 8:30 AM on Saturday, May 18th. You can donate your items or sell your wares and donate 10% of the proceeds to one of the clubs. Sellers can set a minimum bid for their items. This will be a silent auction where you can see the bid on a form and up the bid as you wish.

At 11:00 AM when the bidding is over, buyers and sellers settle with each other. Funds for donated items will be paid to the club treasurers. Sellers are on the honor system to pay the 10% donation to the clubs.

After the auction, lunch will be provided. Then it's off to visit the shop of **Mike Key**.



President's Message

What's the saying? "One man's junk is another man's treasures." Well, there should be a lot of treasures at the auction on May 18th. I'm really looking forward to that day. The auction is always a highlight and a lot of fun. Who knows, that piece of junk just might be what I've been looking for. In addition to used items, I understand there will be a number of new, nice items for sale. Several real nice things have been donated...This will certainly make the auction more interesting. So, Bring your family and friends and enjoy!

If you have not been by to see the new
