President's Message

I hope all of you enjoyed Ira Chaffin's demonstration of his carved carousel horses as much as I did. Ira's addition of artistic skills to woodworking adds a new dimension to traditional straight cut woodworking and inspired us all to think a little differently.

Ira's school is located above Dave's Pub at 1124 20th St. South. Stop by next time you are downtown.

This month we are in for even more challenges to our imaginations as **Dale Lewis** joins us to share his very unique approach to woodworking and the use of colorful stains and dyes. You won't want to miss this program! **Dale** is a member of the Guild and has demonstrated his art at meetings in the past and always fascinates us with his technique.

Next Meeting

Program for April Meeting

Whimsical Art

Perhaps you have made a chair, table or cabinet, but it is doubtful that you have ever made one like **Dale Lewis** makes. His work has been described as whimsical and wacky. When you look at a **Dale Lewis** production, you will smile first and then ask, how did he do that? At our April meeting we will discover how **Dale** got to this level of craftsmanship and see some of his creations. **Dale** and his work have been published in magazines such as Fine Woodworking, Woodwork and the Birmingham Magazine, just to name a few. He is also a recipient of numerous awards and his work is displayed in galleries in Alabama, Tennessee and Illinois. To learn more about **Dale** and his work, you may log onto his website at dalewis.net.

Shop Visits

One of the opportunities we have, as members of the Guild, is to visit the shops of other members. This gives us a chance to see how other people have designed and organized their shops to meet the needs of their chosen woodworking style. Many members have expressed an interest in having more shop visits. **Brian Stauss** has invited the guild members to visit his shop on April 24th, 12:00 noon to 3:00PM. In addition to woodworking items, **Brian** has a collection of "large, non-woodworking Objects" that will also be on display. The address is: 240 Cahaba Oaks Trail, Indian Springs, AL 35124. Directions to **Brian's** shop:

From I-65: Exit 246 (Cahaba Valley Road/Highway 119). Turn North towards Indian Springs Village (towards Hwy 280 and away from Pelham). Go approximately 1.5 miles. As soon as you pass the flagpole and Indian Springs Village Town Hall on your left, turn left into Cahaba Oaks subdivision.

From Highway 280: Highway 119 South (towards Pelham). Go approximately 7 miles. After you pass the Marathon gas station on your right, take the SECOND right into Cahaba Oaks Subdivision.

From Caldwell Mill Road/County Road 29: Take Caldwell Mill south until it ends at Highway 119. Turn right. Go 1 mile and after you pass the Marathon gas station on your right, take the SECOND right into Cahaba Oaks subdivision.

Once in the subdivision, I am at the top of the hill on the right - 240 Cahaba Oaks Trail. The shop is on the left driveway. There is plenty of parking in the driveways and on the street.

Fund Raising

GUILD MEMBER DONATIONS FOR CRAFT SHOW EVENTS

Earlier this year we asked each Guild member to donate at least one item to sell at the Montevallo Art Show. Many thanks to the following members who donated items in this effort.

Bill Shivers, Ralph Hardwick, Harold Phillips, Jeff Hood, Harold Hall, A. R. Bray, Nevin Newton, Troy Stroud, Dudley Massey, Dwight Hostetter, Eddie Heerten, Walter Barnett, Bill Newman, Monta King, Cliff Daniels, Dan Langford, Preston Lawley, Patrick Bush.

We also thank those who participated in the Work Sessions last year as well as those who contributed items for the Avondale Park Art Show.

The Guild plans to participate in three additional craft shows this year and **would like to encourage everyone to donate an item.** In our effort to raise funds for the Guild, it is in everyone's best interest to help make these shows successful.

Woodworking Education Center

There are no major problems with any of the equipment. Clean up has improved some but has been left less than satisfactory on a few occasions. We probably need to schedule a day with several members to do nothing but do a thorough clean up of the entire shop.

The Thursday group started building some child-sized toy appliances. We are building two refrigerators and two stove - sink combination appliances for sale at "Prime Time Treasures". We hope to have them ready before the 1st of May. We have been working on inventorying and pricing the items that will be for sale at the Montevallo Festival.

The front doors did not get completed as we had scheduled. Maybe before too long we can complete them.

We will continue our efforts of making and or teaching how to make things for our fundraising events.

Guild Patrons

We are very fortunate to have the following patrons who support the Guild. They are excellent suppliers of products or services in the local area that provide monetary support or allow us to use their various facilities for Guild functions:

The Dogwood Institute School of Fine Woodworking Offers woodworking classes for beginner to advanced woodworkers on various topics with concentration on teaching the "Process" of making furniture. Our signature courses on *Foundations for Fine Woodworking*, has been extremely popular and guides the student through a series of Foundations Courses to prepare them for building quality furniture. Other courses include veneering, turning, finishing and project classes. Next year the school is expanding facilities/courses and will offer several weeklong courses. All courses are taught by master craftsmen with a vast amount of experience in different areas of expertise. Courses are conducted in our spacious horse farm in Alpharetta, GA featuring two large fully equipped barns including a turning studio & steam bending equipment. The environment lends to learning woodworking skills in a pleasant surrounding. Our mission: "To provide quality instructional courses to individuals who are interested in furthering their knowledge of woodworking at all levels of interest and skill." 1640 Mid-Broadwell Rd, Alpharetta, GA 30004 (770)-751-9571 www.dogwoodwoodworking.com
