

## A MESSAGE FROM RICK FORD, PRESIDENT 2025

The handicap parking pad is complete and can be used. Thanks to Gary Click, Lynn Smith, Randy Hjetland, and Alden Snow for your efforts in seeing this project through! There is still work to be done, but phase 1 is complete. We will be adding a retaining wall over the next several months, although details are yet to be finalized.

We have some great educational opportunities coming over the summer, so keep an eye on the calendar for those offerings.

I hope everyone has a safe and happy summer!

## Upcoming Class for June 28, 2025

**Viking Gnome Woodturning Class**

Instructor: Dwight Hostetter

Date: June 28, 2025

Time: Saturday 9:00AM-4:00PM

Cost: \$45

Class is limited to 6 participants.

**Description:**

Students will carve out the basic body shape of the gnome on the lathe and will also use the lathe to make the nose, hand, and shield from provided milled wood.

Students should have basic lathe experience using lathe tools such as a skew and gouge.

All materials for the gnomes will be provided. Students are welcome to bring their own lathe tools or use the shop's tools.

Limited to 6 participants

Class cost: \$45 (\$25 to the guild and \$20 in materials)

You must be a member in good standing to attend.

You may pay using the PayPal button below to reserve your place in the class. Please respond via email at [education@alabamawoodworkersguild.org](mailto:education@alabamawoodworkersguild.org) with your name if you plan to take the class.

## Monthly Meeting

**June 21st, 2025****10:00am**

**Let's welcome Tim  
Lawson of  
Manufacturer Good!**

## CNC/LASER UPDATE &amp; SCHEDULED CLASSES

Exciting things are happening in the CNC/Laser group. This group meets monthly prior to the general meeting from 8:30-9:30. We address CNC/laser-related issues and also do an in-depth show and tell on projects. Feel free to join us every month. We also do beginner training as well as advanced training on Vcarve software on Thursday mornings once a month. Feel free to contact Henry Raymond via text at 205-602-7661 if you would like to be notified of this training.

## More upcoming classes

Sharpening 101

Instructor: Terry James

Date: July 12, 2025

Time: 9:00am - 4:00pm

Class Size: Class is limited to 8 participants

Class Fee: \$40

Habitat for Humanity Cabinet Build Class

August 23th, 2025

9:00am-4:00pm

Cost \$100.00

## HAND TOOL WOODWORKING CLASS

Ken Blackwood is teaching hand tool classes and they will meet from 6-9 pm on the second and fourth Fridays of each month. Classes are open to anyone interested in learning how to build things with hand tools.

The first project will be a small box (6 1/2" x 4" x 3"). Wood will be provided or you can bring your own. Bring your own tools if you have them or the Guild has a large selection of tools that we can use during class. If you are interested, email [ken.blackwood@alabamawoodworkersguild.org](mailto:ken.blackwood@alabamawoodworkersguild.org) to get on the list for any updates.

WELCOME NEW MEMBERS: BOB CROSBY, PAULA CROSBY, DAVID NOBLE, TESLA NOBLE, ELAYNA NOBLE, MARCUS DAVIS, ASHLEY DAVIS & OLIVER CANTRELL

## HAND TOOL GROUP

The hand tool group is open to any and all members of the guild that are interested in Woodworking utilizing mostly hand tools. This group is devoted to sharing their knowledge in hand tool use as well as maintenance and upkeep of hand tools. The hand tool group also has made some hand planes and hand saws. The guild has a tooth cutter and setting machine if you would like to make your own saws. Help in doing mortise/tenions as well as hand cut dovetails is also available.

Over the past few years the hand tool group has taken the lead on several projects including building work benches for the guild, as well as Purple Heart recipients. They also made all the tool cabinets in the class room.

This group makes several "road trips" each year. Highland hardware in Atlanta, Atlanta exotic wood store, the Jet informational center in Nashville, Tn and a sawmill operation in North Alabama are several of the visits that we made last year.

Feel free to join the group on a regular bases or at anytime you need some assistance with a hand tool related project. They meet on Thursdays from around 1:00 till 5:00.

NEWSLETTER CONTRIBUTORS: HENRY RAYMOND, KEN BLACKWOOD, TERRI HJETLAND & RICK FORD

MARK YOUR CALENDARS: AWG SHOW OCT 2025

**WHO:** For all guild members

All skill levels (Novice, Intermediate, and Advanced)

**WHAT:** A woodworking project that hasn't been entered in the show regardless of the date of completion. It can be a newly completed project or something you finished a few years ago. Any woodworking project completed in a class either at the guild or outside the guild.

**WHERE:** Hoover Public Library

**WHEN:** October 2025. We will get a specific date this summer.

**WHY:** 1. To show the public that woodworking is alive and well.

2. To inspire current members to continue woodworking and learn new skills.

3. Get helpful critiques from the judges to improve your skills.

**HOW:** 1. Make something to enter in the show.

2. In October, print and complete the application that will be on the website.

3. Bring entry and application to the Hoover Library.

## **Children's Choice Challenge**

### A Guild Wide Challenge

Last year the Luthier group had a challenge making a child's instrument. During the show children were encouraged to pick up the various instruments and play them. Then they voted for their favorite instrument. That Luthier, Sandy Smith, received the Children's Choice Award.

The kids were excited to take part in the show and took their job, voting for their favorite instrument, seriously. Since it was a great success the show committee decided to make this an annual event. This year the challenge will be a toy challenge. It is open to all guild members regardless of experience. The Children's Choice Award will be given to the woodworker who receives the most votes. This should be a fun challenge for the kids as well as members.

SHOW OCT 2025

**AWG Show Rules**

All entries must be mostly made of wood.

Exceptions: General hardware such as hinges and handles

Pen hardware

Instrument hardware

Tool hardware

Inlay – metal, stone, glass, acrylic, etc.

No motors or lights.

All entries must be 100% your work.

Categories and skill levels may be changed at the show committee's discretion.

The show committee will decide placement of each entry in the show.

**Show Entry Categories**

Skill Categories - Novice, Intermediate, Advanced

Boxes with Joinery

Furniture

Musical Instruments

Scroll Saw

Woodturning

Open Categories

Boxes – No Joinery

CNC

Pyrography

Tools and Jigs

Toys

Carving

Miscellaneous

All Challenges

SHOW OCT 2025

**Award Medallions**

The show is judged each year. The judges award 1 – 10 points based on four categories – workmanship, design, finish, and difficulty – for a maximum total of 40 points. The judges give valuable critiques, both pro and cons, to help each woodworker improve their skills. First, second, and third place medallions are awarded in each skill and open category.

In addition to the medallions three other awards are given. The Judges' Choice Award is given to the member whose entry is deemed best of show by the judges. It is bestowed at the end of the judging day. The winning entry is moved to a special table where it is placed next to the award.

The second award is the People's Choice Award. During the show visitors pick up a ballot as they tour the show. They then vote for their favorite entry. Votes are counted after the show and the award is given at our next meeting.

The third award is our newest award. It is the Children's Choice Award. Children get to look and handle entries in a special challenge geared towards them. (This year it's the toy challenge) Each child gets a ballot and votes for their favorite entry in that challenge. The entry with the most votes is awarded the Children's Choice Award at our next meeting.

**Show Weekly Schedule**

Saturday Entries accepted 10 – 3  
Show hours 3 – 6

Sunday Show hours 1 – 5

Monday Show hours 9 – 9

Tuesday Show hours 9 – 9

Wednesday Show hours 9 – 9

Thursday Show hours 9 – 9

Dinner 6 – 8 You may take your entries home with you after the dinner

Friday Hours 9 – 12 All entries MUST be removed by noon.

## GETTING TO KNOW MEMBERS OF THE GUILD

### **Getting to Know- Alden Snow, Treasurer**

### **Monthly Series**

#### **How long have you been a member of AWG?**

I started when we met at Acton Molding in Helena and stayed through a meeting at the Homewood Senior Center. I had to drop out for a few years due to work commitments. I rejoined in 2018.

#### **Favorite tool/machine?**

CNC and Laser. Probably soon to be a 3D Printer.

#### **What have you built that you are most proud of?**

Barrister Bookcase.

#### **What is something you want to learn more about?**

Epoxy pouring
