About Us

We are an organization of woodcrafters with skills ranging from beginner to master craftsmen.

We meet at our Woodworking Education Center on the 3rd Saturday of each month at 9:00AM. Our members share woodworking tips, bring projects to show and tell, hear guest speakers, and see live woodworking demonstrations at every meeting. Our free library contains books on techniques, videos, and project plans .

Woodworking Education Center (WEC)

The Guild's Woodworking Education Center is located at the site of the old Maylene School building on Hwy 17 in Maylene, AL.

The Annual Show

The Alabama Woodworkers Guild Annual Show is a judged show, generally held in October of each year at the Hoover Public Library. Members enter projects they have worked on all year and make them available for viewing by the general public.

Community Involvement

In Addition to monthly meetings the Guild also has a group of dedicated woodworkers who meet at the WEC to make toys and various wooden therapeutic devices for Children's Hospital and other deserving organizations.

The Guild also constructs kitchen and bathroom cabinets for the Habitat for Humanity Holiday House each year. Members are involved in other Habitat projects throughout the year.
