

Master Class Scholarship Program Application Form

Scope – This will apply to Master Classes held at the guild taught by an outside instructor.

Eligibility – Must be an active guild member.

Scholarship Award – The award will be either the full amount of the tuition or a half amount of the tuition and will be applied to the tuition (no cash value).

Requirements – Eligible member may apply for a Master Class Scholarship by completing this form and submitting to the selection committee. If accepted, the member agrees to attend the complete class and construct the project being taught in the class. A Member who receives a full scholarship will also agree to conduct a “sharing” session with Guild membership where they present what they learned and how they applied it. This can be in the form of a monthly program or mentoring session.
